With reference to the Government Memo. cited, the Board submits that the Provincial Road Transport Officer reports that there are still arrears of hire charges which were left over to be collected by the Civil Supplies Transport Unit No.9 and that steps, have had to be taken to realise the arrears. There were also arrears of hire charges due from various Government departments as well as from private parties left uncollected by the C.S.T.Units Nos.11, 12 and 14 which were wound up with effect from 31-12-48. The units 11 and 12 were emergency units moving from place to place and were operating in several places with very frequent changes in the personnel. Consequently, the records of these units could not be maintained uptodate. and it was found difficult to trace the records, raise bills etc. The following are the outstandings still to be realised:-

	Rs.A.P.
No. 9 C.S.T. Unit.	12,409-0-0
No.11 " "	13,626-12-0
No.12 " "	14,140-4-0
No.14 " " and Reserve Asst.Transport Officer	18,854-0-0
Total	59,030-0-0 or

(Rupees 60,000/- roundly).

2. The work relating to all the four units is being attended to by the Assistant Transport Officer and the Upper Division clerk of the defunct No.9 C.S.T. Unit.

3. In this connection, the Board also invites the attention of the Government to its Memo.No.24092/F/49-1 dated 30-6-49 wherein the Government have observed that they sanctioned in G.O.Ms.No. 379, Food dated 28-4-49 one Upper Division clerk for clearing arrears of work of units Nos.11, 12 and 14. The Board invites the attention of the Government to its Ref.Z.1/29312/49 (CS) dated 16-4-49 with which copies of Provincial Road Transport Officer's letter and enclosures, thereto were sent. It will be seen from Annexure III to the Provincial Road Transport Officer's letter that no Upper division clerk were required for units 11, 12 and 14 and that the 9 Upper division clerks asked

for

for were for units No.s 2, 6, 10, 15, 16, 9, 7, 8 and 13. It is therefore submitted that in G.O.379, Food dated 28-4-49 Upper Division clerks were sanctioned only for the units for which they were asked for and no extra Upper Division clerk was sanctioned for units 11, 12, and 14. The Provincial Road Transport Officer has, however, agreed to withdraw his request for an additional Upper Division Clerk recommended in the Board's Ref.A.I/80550/49 (CS), dated 21-6-49 and get on with the work with the aid of the Asst. Transport Officer and Upper Division Clerk of No. 9 C.S.T. Unit. The Board considers that the retention of the posts of the Assistant Transport Officer and the Upper divison clerk is necessary upto 30-9-49, by which time it is considered that the arrears of work in the units will considerably be reduced and the balance of work on that date can be attended to by the Provincial Road Transport Officer's Office. The Board submits that it is being made clear to the Provincial Road Transport Officer that on no account should the Assistant Transport Officer and the Upper Division Clerk be kept on beyond 30-9-49 and that any unfinished work must be attended to by his own staff.

The Board submits that it is already considered the possibility of clearing off of the entire arrears by the Provincial Road Transport Officer's Office, but in view of the Provincial Road Transport Officer's report that his office is understaffed, this idea had to be given up. When considering the size of the sum still to be realised, the Board is of the opinion that the expenditure that will have to be incurred by way of salary to the Asst. Transport Officer and the Upper division clerk will be negligible.

The Board requests that sanction may be accorded to the retention of one Assistant Transport Officer and one Upper Division clerk for attending to the arrears of work of the defunct C.S.T.Unit No.9 and other disbanded units upto ~~to~~ 30-9-49.
